

PRAVEGA

(Seven day special camp)

The NSS unit 602 of MES College of Engineering, Kuttipuram, under the guidance of the NSS program officer Mr. Shajeesh K U had organized a 7 day special camp. The camp was attended by 34 young and promising NSS volunteers. The camp was formally inaugurated by our honorable Vice Principal Dr. Mohamed Bedeuzzaman sir followed by the flag hosting ceremony. The camp started on 27th of February and closed on 5th of March.

DAY 1

After the inaugural function volunteers proceeded to the camp site and an ice breaking session was conducted by Mr. Lukman. The fun filled session helped the volunteers to know more about their co volunteers. It was then followed by various games and cultural activities. The day ended with committee meeting.

DAY 2

The day started with an enlightening yoga session followed by NSS assembly. The volunteers then proceeded to the Government Hospital Kuttippuram for the camp work. The camp work was inaugurated by respected Panchayath President Mrs. Shamela. The hospital premises were cleaned and arranged initially.

By noon the volunteers were back at the camp site for an interesting session by the honorable HOD of Mechanical Department of MESCE Dr. Rahmathuniza.

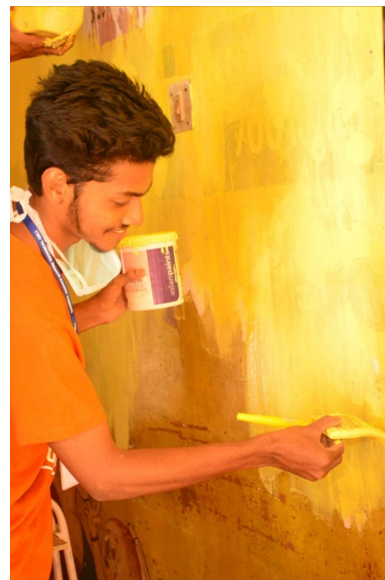

The evening sessions were handled by Miss Dhanya, a former NSS volunteer and social worker. Being the responsible citizens of the country, she emphasized on how important it is for the

volunteers to know about Human Rights and Basic Law systems. The day progressed with cultural program and winded up with committee meeting.

DAY 3

The day started with an enlightening yoga session followed by NSS assembly. At the work site a reception area was being renovated and a garden area was also being set up. The hospital boundary wall was also being painted.

The day's session was handled by Mr. Irshad. He conducted an open boundary discussions about the Non political Lifestyle. This was then followed by cultural and committee meetings.

DAY 4

The day started with an enlightening yoga session followed by NSS assembly. Work progressed at the work site. About 7 wheelchairs and stretchers were repaired and few electrical works were done by the volunteers. At noon a very inspiring session was handled by the Vice Principal of MESCE, Dr. Mohamed Bedeuzzaman Sir. His concept of visualizing the world inspired all.

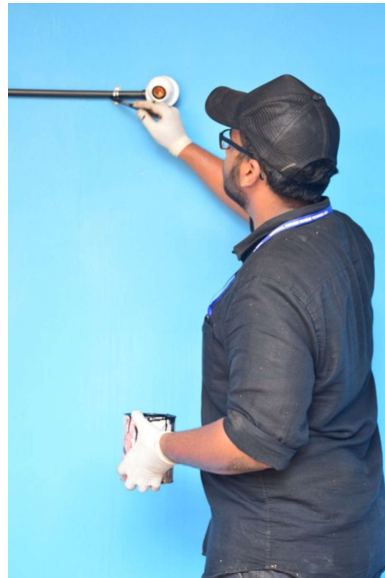

The evening session was conducted by Mr. Najeeb Kuttippuram, at the beautiful and serene banks of Nila. The traits of humanity and the current world were the areas of discussion. This was followed by cultural program and committee meeting.

DAY 5

The day started with an enlightening yoga session followed by NSS assembly. At the work site a waiting area for patients were being set up. The noon sessions were handled by Mr. Ijas Hakeem, an aspiring and active Former NSS volunteer. The day was followed by cultural program and committee meetings.

DAY 6

The day started with an enlightening yoga session followed by NSS assembly. Finishing works were done at the hospital. The noon sessions were handled by Dr. Yasar, working at Medical College, Manjeri. He dealt with the problems and challenges faced during adolescence. Followed by cultural program and committee meetings.

Day 7

The final day of camp. The day started with NSS song followed by camp reports and reviews by the camp coordinator Mr. Shajeesh. K. U. The camp was dispersed with the National Anthem.
